and Chester in 2018

NatWest Tourism Business Barometer

NatWest Group is supporting a fortnightly business barometer of tourism businesses across the North of England that will measure the UK post lockdown business environment. It will measure shifts in employment, trends in revenue and business confidence.

Marketing Manchester is co ordinating the barometer and working with northern Destination Management Organisations who have agreed to recruit panel members through their own business networks and encourage participation of the fortnightly panel.

Revenue levels compared to business as usual

Looking back over the past two weeks, how does your total revenue from all business areas compare to the same period in 2019?

Visitor numbers compared to business as usual

Looking back over the past two weeks, how do visitor numbers/ footfall compare to the same period in 2019?

Employment shifts – permanent staff

In a month's time how do you expect your permanent staff count to be, compared to now?

Eat Out to Help Out take up and value

| Parliamentary Constituency | Total number of registered restaurants | Total number of meals claimed for | Total amount of discount claimed (£) | Average discount per meal (£) |
|----------------------------------|--|-----------------------------------|--------------------------------------|-------------------------------|
| England | 56,959 | 51,364,000 | 295,791,000 | 5.76 |
| North West | 7,226 | 7,368,000 | 43,033,000 | 5.84 |
